

CLENZ-A-DENT MOUTH RINSE/WATER ADDITIVE

Palatable Mint-Flavored Solution

TECHNICAL SPECIFICATIONS:

Flavored solution containing RF2.

PROPERTIES:

CLENZ-A-DENT® Mouth Rinse / Water Additive is a palatable and refreshing solution for the reduction of plaque and bad breath in dogs and cats. CLENZ-A-DENT Mouth Rinse / Water Additive contains a unique patented active ingredient. RF2 breaks down the biofilm made by bacteria present in the mouth. Biofilm is the first step to plaque and tartar build up. Therefore CLENZ-A-DENT Mouth Rinse / Water Additive disrupts the formation of biofilm and thus prevents plaque build up and tartar. RF2 also restores the mouth's natural bacterial balance.

The combined actions of RF2 on tartar build-up and bacterial balance help fight bad breath

USES:

Cats and Dogs : oral hygiene care

DIRECTIONS FOR USE:

CLENZ-A-DENT Mouth Rinse / Water Additive is a 2-in-1 product; it can be used either as a water additive or as a mouth rinse. Shake well before using.

As a water additive:

- **cats and dogs less than 25 lbs:** add 5 ml (0.17 fl.oz) of Clenz-a-dent Mouth Rinse / Water Additive to 475 ml (1 pint) of fresh drinking water daily. Change water everyday even if all has not been consumed.
- **dogs over 25 lbs:** add 10 ml (0.34 fl.oz.) of Clenz-a-dent Mouth Rinse / Water Additive to 950 ml (1 quart) of fresh drinking water daily. Change the water everyday even if all has not been consumed.

As a mouth rinse:

Attach the red spraying nozzle to the bottle and apply directly onto the teeth and gums.

CLENZ-A-DENT RF2 Water additive/Mouth rinse can be used in a protocol with other CLENZ-A-DENT products to optimize oral health. Veterinarian recommendations should be observed.

PRECAUTIONS FOR USE:

Keep out of reach of children. Not intended for human consumption.

STORAGE:

Store in a cool and dry place. Use within 6 months after opening.

INGREDIENTS:

Purified water, glycerin, sorbitol, propylene glycol, rheum palmatum (source of RF2), methylparaben, sodium saccharinate, propylparaben, coloring.

DOES NOT CONTAIN XYLITOL
